

NSERC Canadian Network for Aquatic Ecosystem Services
 2nd Annual Meeting & HQP Workshop
 UQAM, Montréal
 April 30-May 2, 2014

HQP Workshop		
Wednesday, April 30, 2014		
Time	Program	Room No.
8:30-9:00	Sign-in	SB-1115
9:00-9:30	Welcome & Introductions <i>Donald Jackson, Principal Investigator</i> <i>Jenn Robinson, Network Manager</i>	
9:30- 12:30 (break included)	CNAES Introduction to GIS <i>David Aldred, Technician, Theme 2</i>	
12:30-1:30	Lunch	
1:30-4:30 (break included)	Knowledge Mobilization: Communicating Research in Plain Language <i>Elizabeth Shantz, Canadian Water Network</i>	
4:30-5:30	Improving the HQP experience <i>Group brainstorming and discussion regarding communication across the Network, the HQP Committee, training opportunities, and more</i>	
	Break	
7:00-9:00	HQP Social Dinner at <i>Les 3 Brasseurs</i>* <i>*Cost of food and non-alcoholic drinks included</i>	1658 St-Denis St

Cross-Theme Workshop		
Wednesday, April 30, 2014		
6:30-9:30	Cross-Theme Workshop <i>For all CNAES co-investigators & collaborators</i> <i>Dinner will be provided</i>	SB-1115

NSERC Canadian Network for Aquatic Ecosystem Services
 2nd Annual Meeting & HQP Workshop
 UQAM, Montréal
 April 30-May 2, 2014

2nd Annual Meeting Day 1 Thursday May 1, 2014		
Time	Program	
8:30	Sign-in, Poster set-up	
9:00	Welcome & Introduction Donald Jackson, Principal Investigator	
9:15	Simple models and complex reasons for mapping ecosystem services in a Great Lakes estuary David Bolgrien, US Environmental Protection Agency	SH-3620
10:15	Bioassessment: Bringing the Yukon to Ontario John Bailey, Ontario Ministry of the Environment, Laurentian University CNAES Theme 1	
10:45	Break	SH-4800
11:00	Lightning Talks Presented by CNAES students & post-docs	SH-3620
12:15	Lunch	SH-4800
1:30	Water and the Forest – Canadian Forest Service Science & Market Access Support Annie Prigge, Canadian Forest Services, Natural Resources Canada	
2:10	Legacy effects and the scaling of the loss and recovery of ecosystem functions in streams John Richardson, University of British Columbia CNAES Theme 2	SH-3620
2:40	Break	SH-4800
3:00	Lightning Talks Presented by CNAES students & post-docs	SH-3620
4:15	Poster Session <i>Appetizers, Cash bar</i>	SH-4800
6:00	Dinner <i>Explore Montréal with new friends & colleagues</i>	

NSERC Canadian Network for Aquatic Ecosystem Services
 2nd Annual Meeting & HQP Workshop
 UQAM, Montréal
 April 30-May 2, 2014

2nd Annual Meeting Day 2 Friday May 2, 2014		
Time	Program	Room No.
8:15-8:45	Sign in	
8:45	Introduction & Information Updates Donald Jackson, Principal Investigator	SH-3620
9:00	Size Based Models of Aquatic Ecosystems: Project Overview Brian Shuter, Scientist Emeritus, Ontario Ministry of Natural Resources & University of Toronto CNAES Theme 3	
9:30	Come Hell & High Water: Scientific Truth & Consequences in Hollywood Disaster Movies Bob Sandford, UN Water for Life Decade CNAES Board of Directors	
10:00	Researchers are from Mars and Reporters are from Venus <i>What scientists need from media versus what media need from scientists</i> Tim Lougheed, Freelance science writer	
10:45	Break	
11:00	The interactions between science, policies, and tools that inform the decision-making process about the effects of hydropower on aquatic ecosystems Daniel Boisclair, Université de Montréal, NSERC HydroNet	SH3620
12:00	Closing Remarks Donald Jackson, Principal Investigator	
12:10	Lunch <i>*HQP Meeting (12:20-1:20pm)</i>	SH-4800 SH-3620
1:30-5:00	Board of Directors Meeting	SB-1115
	Theme 1 Meeting	SH-3120
	Theme 2 Meeting	SH-3140
	Theme 3 Meeting	SBR830
